NOTICE OF CORRECTION

DEPARTMENT OF CORRECTIONS

RULE NO.: 33-501.401

RULE TITLE: Admissible Reading Material

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 46, No. 56, March 20, 2020, issue of the Florida Administrative Register.

Section 120.54(3)(a)1., F.S., requires a Notice of Proposed Rule to include “a statement as to whether, based on the statement of the estimated regulatory costs or other information expressly relied upon and described by the agency if no statement of regulatory costs is required, the proposed rule is expected to require legislative ratification pursuant to s. 120.541(3).” The Department determined that a SERC was not required for this rule. Therefore, the notice should have included a statement regarding what information was relied upon in reaching that conclusion.

The proposed rule is hereby corrected to substitute the following language:

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE

RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the SERC or, if no SERC was required, the information expressly relied upon and described herein: The Department used an itemized checklist to conduct an economic analysis and determine if there would be any adverse impact or regulatory cost associated with this rule that exceeds the stated criteria. Upon review of the proposed rulemaking, the Department determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in s. 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
